HAMBURGER

For our burgers we rely on a small butcher shop that allows us to choose the cut and the best meat from bovine of Piedmontese breed. All our burgers are served with chips, green salad, sauce and crusty bread.

Pour nos hamburgers nous appuyons sur une petite boucherie qui nous permet de choisir la coupe et la meilleure viande de bovins de race piémontaise. Tous nos burgers sont servis avec des frites, de la salade, la sauce et pain croustillant.

PIZZA

The digestibility of our pizzas is obtained through a slow rise and a low percentage of yeast. Pizzas from today will also be enjoyed with the dough prepared with wheat flour.

Life's too short to eat bad pizza.

La digestibilité de nos pizzas est obtenue par une montée lente et un faible pourcentage de levure. Pizzas à partir d'aujourd'hui seront également appréciées avec la pâte préparée avec de la farine de blé.

La vie est trop bref pour manger une mauvaise pizza.
